REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Beaufort Middle School students, staff, and school community Made their Mark during 2009-2010 in academics, the arts, and community relationships. Thirty-four 8th grade students were inducted into the National Junior Honor Society; 36 were Junior Scholars (an 83% increase over last year); and 28 7th graders were potential TIP Scholars and 5 received state recognition. Students met and exceeded state averages in math and reading. We remained committed to focusing instruction on individual learners by engaging students in 20 additional days of Extended Learning, extra support classes, online instruction to accelerate and personalize learning, focused literacy classes two days each week for all 6th grade students, an 8th grade transition team, and gifted and talented classes in ELA, math, and Humanities.

In the arts, we Made our Mark through the development of a strategic plan dedicated to arts integration. Afterschool art opportunities expanded; teachers received grants for innovation in the arts; a dance artist-in-residence worked with all 7th and 8th graders; and teachers received training from The Kennedy Center, The Peace Center, Chicago Arts in Public Education, and the South Carolina Arts Alliance. Over 75 students displayed artwork in the community; students participated in local community theater, in Beaufort Youth Orchestra, and in the Lowcountry Children's Choir. We had regional winners in the Picasso Project and in Region 4 Band, Region 4 Orchestra, and All-State Orchestra. Our Odyssey of the Mind Team took first place in state competition and competed in World Finals. We had the National First Place winner in the Career Development Poetry and Poster Contest, as well as two state winners, and six regional winners.

Collectively, we Made our Mark in strengthening community relationships. BMS was recognized as a Red Carpet School and over 100 community members collaborated with us this year. We established a schoolwide recycling partnership; maintained a relationship with a local nursing home; celebrated the 150th anniversary of the Hunting Island Lighthouse through the visual arts; commemorated the 50th anniversary of Hurricane Gracie through media arts; and we continue our collaboration with the Beaufort Three-Century Project. Thirty-two 8th grade students participated in our Junior Leadership Beaufort Program with local Rotarians. We affiliated with the President's Volunteer Service Award Program and awarded students for earning more than 50 hours of community service. Our Parent Action Council engaged community members, families, and over 200 students to beautify our courtyard and enhance outdoor learning for our students.

We are proud of our successes and look forward to continued progress as critical, creative thinkers and problem-solvers well-prepared for the 21st century.
